MOTION/RECOMMENDATION:

Approve and authorize Chairman to execute Year 2003-2004 Florida Department of Environmental Protection Waste Tire Grant Application; and, designate the Director of Environmental Services as the authorized representative for the Waste Tire Grant.

BACKGROUND:

During the recently completed legislative session, funds were budgeted for Waste Tire Grant Funding to counties with populations greater than 100,000. The Solid Waste Management Division received notice from the Florida Department of Environmental Protection (FDEP) that a signed Waste Tire Grant application needs to be returned to the FDEP for counties to be eligible to receive grant funds.

Each eligible county shall receive a pro-rata share of the budgeted funds, based on its incorporated and unincorporated population, just as in past years. Last fiscal year, Seminole County's received \$54,400.00 in waste tire grant funds.

Grant funds will be used to fund county-wide waste tire related cleanup, recycling, and environmental enforcement activities.
